Each neighborhood that Sunday Streets visits is filled with unique sites, as well as plenty of local businesses and landmarks. Sunday Streets is the perfect time to explore, and now you can win prizes while navigating the route, and getting exercise at the event!

Complete the Sunday Streets BINGO, and qualify to win great prizes!

HOW TO PLAY:

Take a picture of yourself completing each box on the card. Post your pictures to Sunday Streets Facebook page (www.facebook.com/sundaystreets), tweet them to us on Twitter @SundayStreets, or hashtag #sundaystreetsf on Instagram. Once you have posted the photo, mark that square off on your card. Mark off five in a row (across, up and down, or diagonal), and qualify to enter the raffle! Just drop your BINGO card off at one of the green Sunday Streets tents, show them your pics, and you will be entered to win. Winners will be notified by email, and announced through social media.
