**May 18th, 2017**

**Volume 1, Issue 9**

**Captain Alexa O'Brien**

## CAPTAIN'S MESSAGE:

Bay to Breakers has arrived. This Sunday thousands of runners and partiers will be making their way through the Richmond District and the Golden Gate Park. This will be the 106th annual Bay to Breakers event, and we are hopeful the event will run as smoothly as it has in years past. With that said, the event will not be a 'free for all.'

There is a 'no alcohol' and 'no float' policy in place along the entire route of the race. There is also no alcohol allowed inside the park along the race route, with the exception of the permitted beer garden. In the past, almost all of the 'incidents' which have occurred at this event have involved alcohol and floats. We want to make this a safe and fun event for everyone, and eliminating these elements will help to achieve this goal.

There will be street closures throughout the entire City. I realize this can be frustrating, but I urge everyone to be patient. For more information regarding street closures, go to [www.sfcurbed.com](http://www.sfcurbed.com).

You can also contact the Bay to Breakers Community Hotline with questions regarding the race at (415) 231-3130, or visit the official website at [www.baytobreakers.com](http://www.baytobreakers.com).

I hope everyone participating has a fun race! Be safe and remember to stay hydrated!

Your Captain,

Alexa O'Brien

### INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

**RICHMOND OFFICERS  
APPREHEND SUSPECT  
ON BICYCLE... AGAIN.  
MLK JR DRIVE & CHAIN  
OF LAKES DR  
05/10/2017 5:57 AM**

In a repeat of last week's incident, a suspect riding a bicycle attempted to outrun officers from Richmond Station in a patrol vehicle. Once again, the officers were able to apprehend the suspect. The officers observed a traffic violation performed by a

bicyclist and attempted to stop the bicycle and issue the rider a citation. The suspect thought he would try his luck, and attempted to evade the officers on his bicycle. Unfortunately for the suspect, his luck ran out when he fell into the bushes inside Golden Gate Park.

The officers were able to detain the suspect without further incident. They ran a criminal history check on the suspect and discovered that

he had an outstanding warrant for his arrest for possessing burglary tools. When the officers searched the suspect's belongings, they located bolt cutters, pliers, and other tools commonly used by burglary suspects.

The suspect was booked at San Francisco County Jail for his warrant, resisting arrest, and a brand new charge of possessing burglary tools.

**TWO SUSPECTS  
ARRESTED AFTER  
ASSAULT IN GOLDEN  
GATE PARK  
FULTON STREET & LA  
PLAYA STREET  
5/14/2017 4:50 PM**

Richmond District officers responded to the area of Golden Gate Park, behind the Beach Chalet, regarding an assault. Upon their arrival, they located two male subjects who appeared to have been in an altercation. One of the subjects claimed they had been punched by a third person, but said he did not need any police assistance.

The other subject who was

involved in the altercation was located in the Safeway parking lot. This subject, who had multiple injuries to his face and head, claimed he had been assaulted by two suspects. He told the officers that an acquaintance of his was engaging in drug dealing activity. He claimed that when he attempted to stop the illegal activity, his acquaintance and the 'customer' both began to punch him repeatedly.

After a thorough investigation, it was determined that the subject with the injuries was the victim in the incident. The victim positively identified his assailants, and

they were placed under arrest. A search of one of the suspects revealed an illegal pellet gun in his pocket. The suspects also had a dog with them, and nobody to take care of it. Animal Care and Control responded to take custody of the dog.

Both suspects were booked into San Francisco County Jail.

### INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

#### **SUSPECT TRIES TO STEAL BAG FROM A CHILD**

FUNSTON AVE &  
CLEMENT STREET  
5/12/2017 6:08 PM

An 11 year old child was walking home from school when he was approached by an unknown suspect. The cowardly suspect, who was described as a 30-35 year old

man, demanded that the child give him his wallet. When the child refused, the suspect hit him on the shoulder and used a disgusting racial slur. The victim ran back to school to report the incident.

Officers from Richmond Station responded and took a police report. The suspect was described as a "skinny" Asian male, approximately 5'6" tall

with black hair. He was last seen wearing baggy khaki pants and a brown flannel long sleeve shirt.

Investigators at Richmond Station are working to identify the suspect, and we expect an arrest to be made in the near future.

**LOCAL PHARMACY  
ROBBED BY KNIFE-  
YIELDING SUSPECT**  
GEARY BOULEVARD &  
PALM AVENUE  
5/11/2017 8:40 PM

When an employee at a local pharmacy heard items being dropped on the floor inside the store, he went to see exactly what was happening. What he found was a suspect placing multiple bottles of body wash into a paper bag. Believing that the suspect was going to leave the store without paying for the merchandise, he attempted to retrieve the property from the suspect. The suspect plainly stated that he was going to take the items, and attempted to leave the store. The em-

ployee grabbed the bag from the suspect before he could leave, and the bag and merchandise fell to the floor. The suspect fled the scene without the merchandise.

A short time later, the suspect returned to the pharmacy to try his luck again. He tried again to grab the bottles of body wash, which were still at the counter. The employee again confronted the suspect, who fled the scene a second time without the merchandise.

After the suspect had left the store, a knife was found by the entrance. The employee reviewed the video surveillance and saw that the suspect had been holding the

knife when he entered the store the second time. Realizing they could have potentially been injured, the employee called for police to respond to the scene.

The suspect in this incident is described as a black male between 30 and 40 years of age. He is approximately 6'2" tall and weighs approximately 220 lbs. He was last seen wearing a white T-shirt, gray sweatpants, and black shoes.

This incident is still under investigation by the Richmond Station Investigations Team. Hopefully the suspect will soon be identified and arrested.

### RICHMOND STATION'S OFFICERS OF THE WEEK

#### Officer Kostyantyn Ivanov

##### Officer Ivanov's Tip of the Week:

Born in Siberia, Russia, Officer Ivanov is a certified Russian speaking officer. He also lived in Ukraine for several years, so he speaks fluent Ukrainian too.

Officer Ivanov has lived in the United States for the last 14 years. Prior to being a police officer, he attended Humboldt State University where he earned a Master's Degree in English. He also worked as an English teacher at the University. Officer Ivanov was inspired to study English as a result of his love for 'the Bard,' William Shakespeare.

Officer Ivanov is a huge ice hockey fan, particularly the San Jose Sharks. He also considers himself to be an automobile enthusiast.

#### NEWS RELEASE

#### Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on May 4<sup>th</sup>, 8<sup>th</sup>, 16<sup>th</sup> and 26<sup>th</sup> with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: excessive and unsafe speed, unsafe turns, failure to stop for signs and signals, failure to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets by 2024 as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2013, California witnessed 701 pedestrians and 141 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

The San Francisco Police Department will be conducting Traffic Safety Enforcement Operations this month. The operations will target the 'Focus on the 5' violations:

- Speeding
- Red light violations
- Stop sign violations
- Failing to yield to oncoming traffic when turning left
- Failing to yield to a pedestrian

They will also emphasize bicycle and pedestrian safety.

The goal is to achieve Vision Zero SF - eliminating traffic deaths by the year 2024.
