

SAN FRANCISCO POLICE DEPARTMENT

RICHMOND STATION

May 25th, 2017

Volume 1, Issue 10

Captain Alexa O'Brien

CAPTAIN'S MESSAGE:

I am happy to report that Richmond Police Station had another successful Bay to Breakers come passing through our district, and our officers managed to work the event with little to no problems. However, I was saddened to see that the following day, Manchester suffered a horrific loss at one of their large events. This served as a reminder to me that

there is a great importance for our community and police to work together in order to keep our city safe and secure. As terror threatens communities around the world and continues to evolve, law enforcement relies on the assistance and support of all of you. So as the summer approaches and more events and large crowds gather to enjoy music, food and fun, our police officers and public must remain vigilant. Report suspicious behavior and if you see something, say something.

On a brighter note, this weekend and week was filled with lot of activities for our station. On Saturday, I had the honor of attending the Shared School Yard Event at Sutro Elementary. Some of the people in attendance were Supervisor Mark Farrel, Supervisor Sandy Fewer and Michael Carr. This ribbon cutting ceremony marked another school yard that is open to our neighborhood kids which gives them a safe place to learn how to ride a bike, play basketball or simply just to have empty space to run around. Thank you to Sutro Elementary for their generosity and community spirit!

Your Captain,

Alexa O'Brien

Quote of the week:

Survival can be summed up in three words - never give up. That's the heart of it really. Just keep trying.

- Bear Grylls

STREET HOCKEY MATCH: SFPD VS. LAFAYETTE ELEMENTARY

The children of the after school program at Lafayette Elementary School challenged the officers of Richmond Station to a street hockey match.

Officer Bryant and Officer Garrett playing defense, and Officer Moore in goal.

Great banner made by Lafayette Elementary kids.

The kids certainly had the numbers advantage at one point.

Lining up for 'high-fives' after the game.

It was a competitive game, and the officers and children had a great time. Looking forward to the rematch!

Awesome photo of all the kids and cops after the game.

INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

AUTO BURGLARY SUSPECTS EVADE RICHMOND OFFICERS IN A STOLEN VEHICLE

POINT LOBOS AVENUE &
MERRIE WAY
5/17/2017 8:05 PM

The area of Lands End Look-out is a popular tourist destination in the Richmond District. It is also an area where cars are frequently broken into. Officers from Richmond Station regularly patrol this area in order to prevent this crime from happening.

When Richmond District officers were driving by the parking lot, they heard a car alarm go off. They drove into the parking lot and immediately saw two subjects getting into a silver 2-door Mercedes Benz. The vehicle quickly exited the parking lot, making an illegal turn. Suspecting that they had just interrupted an auto burglary in progress, the officers attempted to catch up with the vehicle.

The officers ran a record check on the vehicle's license plate. The results showed that

the vehicle was reported stolen out of San Jose. As the officers activated their lights to stop the vehicle, it sped away at a high rate of speed. The driver of the stolen vehicle was driving recklessly and endangering the lives of other drivers around him as he evaded the officers. With the public's safety in mind, the officers decided not to pursue the evading vehicle. They returned to the parking lot, where they found the vehicle which had been broken into.

SUSPECT'S BLOOD- ALCOHOL CONTENT IS ALMOST FOUR TIMES THE LEGAL LIMIT!

BALBOA STREET & PARK
PRESIDIO AVENUE
5/19/2017 3:14 AM

Officers from Richmond Station came upon a vehicle collision at the intersection of Balboa St and Park Presidio in which, thankfully, nobody was injured. As the officers were on scene conducting

their investigation, they realized that one of the drivers was exhibiting symptoms of intoxication.

The officers conducted a thorough D.U.I. investigation, which included a series of field sobriety tests. The suspect performed poorly on the field sobriety tests, and he was given a preliminary alcohol screening test at the scene. The suspect blew a high of .33 BAC, over four times the legal limit of .08! The

driver was placed under arrest for driving under the influence. He was transported to blow on the official breathalyzer machine where he blew a .31 BAC.

This suspect was booked at San Francisco County Jail on D.U.I. charges.

INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

JUVENILES INVOLVED IN RICHMOND DISTRICT ROBBERY

34TH AVENUE &
CLEMENT STREET
5/18/2017 8:00 AM

A juvenile was walking with his phone in his hand when he was approached by two suspects. One of the suspects grabbed the juvenile, pulled him into a nearby carport, and demanded he hand over his phone. The juvenile refused to give the suspect his phone, so the suspect held what appeared to be a gun to the victim's side. The suspect once again demanded the juvenile's phone, but he still would not

hand it over. The suspect began to struggle with the juvenile over the phone, when the suspect punched the juvenile several times in the head and neck area. The juvenile eventually lost control of his phone, which fell to the ground. However, the struggle had raised the attention of passersby, and the suspects fled the scene without the phone.

Richmond District officers responded to the scene and met with the juvenile. Officers discovered, what the juvenile believed was a gun was actually a gun-shaped knife. Officers also located two persons nearby who matched the sus-

pects' descriptions. The officers conducted an extensive investigation into the incident and determined that only one of the detained persons was involved in the crime. The other simply matched the description of the outstanding suspect.

The uninvolved subject was released. The detained suspect, who was also a juvenile, was placed under arrest and booked at the Juvenile Justice Center. The Richmond Special Investigations Team is working hard to identify and arrest the outstanding suspect involved in the robbery.

AUTO BOOST LEADS TO FRAUDULENT DEBIT CARD USE

MLK JR DRIVE & 25TH
AVENUE
5/20/2017 3:00 PM

Auto burglary incidents are the most commonly reported crime in the Richmond District. A San Francisco resident recently came to Richmond Station to report that their vehicle had been broken into inside Golden Gate Park. Unfortunately for this victim, their ordeal did not end there.

What undoubtedly began as a nice day in the park turned sour when the victim's car was broken into and her purse was stolen. A witness was able to provide a description of the perpetrators, but the incident was reported too late for officers to search for the suspects. The victim's wallet was inside her purse, along with several credit and debit cards. The savvy crooks knew exactly how to take full advantage of the unfortunate victim.

When the victim checked their

bank account balance, they saw almost \$2,000 in fraudulent charges had been made at a local San Francisco chain drugstore. How the suspects were able to make this massive purchase at a drugstore without raising suspicion remains to be seen...

The Richmond Station Investigations Team is currently exploring all possible leads on this case. Hopefully the suspects will be identified and arrested in the near future.

SAN FRANCISCO POLICE DEPARTMENT

RICHMOND STATION'S OFFICERS OF THE WEEK

Officer DeAndre Dudley

Officer Dudley's Safety Tip of the Week:

"I have taken several burglary reports recently. It is very helpful when people have surveillance camera systems. I think it acts as a deterrent for thieves when they see the cameras. When it doesn't deter them, it can provide useful evidence for the investigation."

Officer Dudley is a probationary officer here at Richmond Station. He currently works day watch.

He was born and raised here in San Francisco, and he attended Phillip and Sala Burton High School.

Officer Dudley has been a police officer with the San Francisco Police Department for a year. Prior to being a police officer, he worked as an electrician in the City.

His motivation for becoming a police officer was a desire to serve his community. He also enjoys interacting with people and helping them whenever possible.

Officer Dudley brightens up Richmond Station. He can regularly be heard singing in the hallways. He likes listening to piano jazz music and watching Western movies. He is also very involved in his church.

Join the San Francisco Community Police Academy

The Community Police Academy is a ten-week program that is designed to inform interested participants about various aspects of municipal policing, including emergency communications, first aid, patrol procedures and so much more. Classes meet once a week on Thursdays. Students also get to participate in a ride-along with police officers at the end of the program.

The San Francisco Police Department's goals are to develop community awareness through education and to develop a closer understanding and relationship between the San Francisco Police Department and its communities. Members of the community are encouraged to join and learn about the San Francisco Police Department. Participants are encouraged to ask questions and offer comments within each class. The next class is scheduled to start on Thursday, June 22, 2017 from 6:30 pm until 9:00 pm. Classes will be held at San Francisco Police Headquarters, 1245 – 3rd St. with some being off-site.

We encourage anyone 18 and over and living or working in San Francisco to attend. Applications are being accepted on an on-going basis.

The Community Police Academy participants are selected by the program coordinators after an application process. Enrollment is limited to twenty-five students per class.

For more information, please go to <http://sanfranciscopolice.org/community-police-academy> or email sfpd.cpa@sfgov.org.

NEWS RELEASE

May 1, 2017
17-064

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on May 4th, 8th, 16th and 26th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: excessive and unsafe speed, unsafe turns, failure to stop for signs and signals, failure to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets by 2024 as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2013, California witnessed 701 pedestrians and 141 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

The San Francisco Police Department will be conducting Traffic Safety Enforcement Operations this month. The operations will target the 'Focus on the 5' violations:

- Speeding
- Red light violations
- Stop sign violations
- Failing to yield to oncoming traffic when turning left
- Failing to yield to a pedestrian

They will also emphasize bicycle and pedestrian safety.

The goal is to achieve Vision Zero SF - eliminating traffic deaths by the year 2024.

SAN FRANCISCO POLICE DEPARTMENT
