RICHMOND STATION

January 11, 2018

**Captain Alexa O'Brien
Commanding Officer
Richmond Station**

CAPTAIN'S MESSAGE:

Richmond District Community

With the New Year comes new goals to accomplish. I have drafted a 5 year strategic plan for Richmond Station, and made 3 Main Priorities to be our focus at Richmond Station:

- | | |
|------------|--|
| Priority 1 | Health and Wellness of our Police Officers |
| Priority 2 | Harm Reduction or Crime Reduction |
| Priority 3 | Community Engagement |

These priorities each have a unique set of goals within them, and I will share our accomplishments as we achieve these goals throughout the year.

The earthquake this past week should serve as a reminder to us in the Richmond District to be prepared! Richmond Station suggests that you get connected with your neighbors and form a disaster preparedness support group, get supplies (water, candles, batteries and canned foods), and make a plan for your family on how to respond when phones are not working and communications are limited. This preparation is necessary in order to be calm during times of stress. For further information on disaster preparedness the Community Youth Center SF is offering classes. The Community Youth Center is also hoping to attend one of our future community meetings to go over the Seismic Safety Outreach Program. Keep a look out in future Newsletters for information regarding more information.

Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ♦ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ♦ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/or residence.
- ♦ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

IF YOU SEE SOMETHING, SAY SOMETHING

DEFINITION OF COMMUNITY POLICING

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

Foot Patrol: Richmond Station has dedicated foot patrols on Clement St., Geary Blvd, Golden Gate Park as well as the Cliff House.

Richmond Station Community Meetings: Community Meetings are held once a month for the public and residents of the Richmond District to attend. People can voice their comments or concerns about issues in the Richmond District.

San Francisco Police Department Mourns the Loss of Canine Member

On January 4, 2018 canine "Cavik" of the San Francisco Police Department Tactical Canine Unit crossed the Rainbow Bridge as a result of an illness.

Cavik was a Belgian Malinois Shepherd, trained in patrol and explosive detection. He was born on April 29, 2009 in the Netherlands and traveled to the United States where he joined the San Francisco Police Department in 2011. Upon completing his training, K9 Cavik and his handler Officer Matt Maciel patrolled the streets of San Francisco assisting with suspect searches, conducting explosive sweeps for dignitary visits and large venues, assisting in S.W.A.T. operations, and performing canine demonstrations.

During his almost seven years on patrol, Cavik and Officer Maciel made numerous arrests and had the pleasure of assisting with security at countless special events and VIP visits; most notably the 2012 and 2014 World Series, Super Bowl 50, and 2012 U.S. Open.

Cavik was always eager to go to work but also enjoyed time at home with Officer Maciel and his family. He will be sorely missed by both the Maciel family and SFPD family.

Several photos of Cavik and his handler accompany this news release.
